

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

1:30 Red Cross Building

PRESENT

RCRV members: Rod Thorpe, Chuck Wehage, Arlo Meyer, Bill Ellis, Mike Wilson, Jim Spencer, John McDonough, Bob Ocken, Jack Murphy, Vern Jackson, Tom Brennom, Judy Wirth, Kay Nelson, Ed Holstrom

Community Service Agency members: Wayne Clayton, Ann Griffin, Heidi Soethout, Amy Grunewaldt, Teresa Robinson, Mary Beth Minges, Barbara Hoffman

Guest: Amy Andersen, Junior Achievement of Eastern Iowa, Inc.

CALL TO ORDER

Board Vice-Chairman, Rod Thorpe, determined that a quorum was present and called the meeting to order at 1:30 pm. 21 members were present. Introductions were given.

PROGRAM

Amy Andersen, Education Manager of Junior Achievement of Eastern Iowa spoke about the purpose and the need for volunteers for Junior Achievement. In Eastern Iowa, 34,487 kindergarten through twelfth grade students will be impacted by Junior Achievement during the 2009-2010 school year. Locally, 1,540 classes will be taught in the Linn County schools so there is a need for that many volunteers.

There are three levels of programs:

Elementary school programs (K-5th grade, 5 activities, 30-45 minutes each)

Topics include: Ourselves, Our Families, Our Community, Our City, Our Region, and Our Nation.

Middle School programs (6-8th grade, 6 activities, 45 minutes each)

Topics include: America Works, Economics for Success, Global Marketplace, It's My Business
High School programs (minimum 7 activities, 45-60 minutes each)

Topics include: Banks in Action, Be Entrepreneurial, Business Ethics, Careers with a Purpose, Economics, Success Skills.

The purpose is to inspire and prepare young people to succeed in a global economy. If interested please go to the JA website at www.JAEasternIowa.org for further information

Approval of Previous Annual Meeting minutes

Minutes of the last Annual RCRV Board of Directors meeting held November 19, 2008 have been posted on the RCRV website for review for 12 months. John McDonough moved these minutes be approved as posted. Chuck Wehage seconded the motion.
Motion: Carried

OLD BUSINESS

No old business was pending.

NEW BUSINESS

Report of Nomination Committee

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

The nominating committee of Rod Thorpe, chairman, Helen Potthoff, John McDonough and Barbara Hoffman presented the proposed slate of members and officers for the 2010 RCRV Board of Directors (as attached to these minutes as appendix 1)

1. Three new Community Service Agencies have accepted board positions.
 - College Community School District- Kathy Waychoff
 - Linn-Mar School District- Karla Terry
 - Marion School District- Louann Lawson
2. New representative for Jane Boyd Community House- Amy Grunewaldt, Executive director
3. One write-in candidate- Rod Thorpe

Mike Wilson moved to accept the report with the addition of Rod Thorpe's name. Bill Ellis seconded. Motion: carried

Election of 2010 Officers and Board Members

Jim Klein moved to cast a unanimous ballot for the approved slate of officers and board members. Chuck Wehage seconded. Motion: carried

ROCKWELL COLLINS REPORT: Cindy Dietz

Rod Thorpe read the following report:

Thank you to the RCRV members (SHIIP counsellors) who have worked with Rockwell Collins Human Resources/Benefits group to hold and present health care briefing sessions for retirees.

The approved Rockwell Collins charitable contribution budget is \$6.03M. This is a slight reduction from FY09. We did include \$10K for RCRV grants.

The Cedar Rapids FIRST LEGO League Regional Qualifying tournament is set for December 12th at Prairie Point, Middle School & 9th Grade Academy. Thank you to members of the FLL advisory committee for their hard work and for all other RCRV members who volunteer for FLL. Rockwell Collins provided funding for 133 of the 215 teams in Iowa this year. We will be hosting 52 teams at our qualifying tournament. Six other tournaments will be held around the state the weekends of Dec. 5, Dec. 12 and Dec. 19. The Iowa State FLL Tournament is set for January 16 at Iowa State's College of Engineering. Details on Iowa FLL events are available at <http://www.isek.iastate.edu/fll/>

FIRST Tech Challenge is going great, with 25 registered teams (all but one of which are new!). There are three scrimmages scheduled, to provide teams with practice prior to the state tournament. In Cedar Rapids, a scrimmage will be held at the Science Station, Lindale on Saturday, Dec. 19 from noon - 3:00pm. This is free and open to the public, so tell everyone you know to come and see!!

The Iowa FTC Regional Tournament is set for January 9 at the University of Iowa's Memorial Union. Details on FTC in Iowa are available at <http://sites.google.com/site/ftciowa/>

The United Way of East Central Iowa has set a community campaign goal of \$10.5M. Rockwell Collins served as a pacesetter company and pledged \$2.1M toward that goal.

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

We encourage RCRV members to consider a contribution to the community campaign. You will receive a letter of request from United Way through an RCRV mailing.

Again, thank you for all the work RCRV members are doing. You are a wonderful resource of knowledge, skill and compassion. You help extend the reach of Rockwell Collins in our community and contribute greatly to making a difference in the lives of others. Thank you!!

PARTNER AGENCY REPORTS

1. Linda Dearing- Heritage Agency on Aging

Linda sent the following report to be included in the minutes.

I've reserved Room 100 at KTOS for Rockwell Retiree insurance presentations next November. Room 100 is reserved November 8-12.

The Heritage Agency offers The Matter of Balance program to seniors (60+) who are looking to improve their quality of life by managing their concerns about falling. The class consist of eight, two hour sessions and is designed to reduce the fear of falling and increase activity levels in seniors who have a fear of falling.

During the sessions participants learn: to view falls and fear of falling as controllable, to set realistic goals for increasing activity, to change their environment to reduce fall risk factors, and to promote exercise to increase strength and balance. Group discussions, problem-solving, skill building, assertiveness training, and practical solutions are all included in this educational opportunity.

For further information on scheduled sessions please contact Tim Getty at 319-398-5559.

2. Carol Luth- Vision in Motion, Spanda, Inc.

Carol sent the following report to be included in the minutes.

Cedar Rapids Vision In Motion would like to thank RCRV for the hours of volunteer support given to our organization over this past year.

Projects completed include:

The construction of a kitchen to be used in our low vision programming. Recycled cabinets and materials were used. Our staff appreciated the additional support given to us from the RCRV painting crew.

Several plumbing projects were completed including the installation of two sinks and a water heater.

Arlo Meyer continues to support us by making several pieces of adaptive equipment including therapy benches, balance stools, and pill bottle holders. Arlo also constructed two chalk boards, which are used by our therapy programs.

Bob Ocken continues to consult with us regarding computer and web design needs.

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

We also appreciated the support of grant funding to assist our low vision clients obtain low vision assistive devices.

On behalf of all of us associated with Cedar Rapids Vision In Motion, thank you for your continued support and thank you for all that you provide to our local community. It is an honor and pleasure to work with all of you.

3. Wayne Clayton- Options of Linn County

Overview

Options of Linn County provides vocational training and support services to adults with disabilities. Our consumers and staff appreciate RCRV's contributions to our program. RCRV's creative assistive tech solutions help many consumers be more productive and independent.

Highlights of Activities in 2009

This was a year of transitions and anniversaries. In Nov 2009 we marked one year of operating at the Williams Blvd location. In the aftermath of the flood of 2008 we quickly reestablished operations at Hawkeye Downs in southwest Cedar Rapids. From there, we settled into the Williams Blvd building, which serves our consumers while work progresses on a permanent facility.

Another anniversary occurred this year. We celebrated 10 years of working with RCRV. We presented the group a plaque at the Options Awards Night as a way to thank RCRV for their many achievements through the years.

New Assistive Technology:

- **Conveyor Belt Project:** A volunteer converted a treadmill to a conveyor belt to help a consumer working in the community to feed paper into an industrial shredder. This project allowed the consumer to return to a job he temporarily lost due to the flood.
- **Cash Register Simulation Project:** A volunteer created a program that turned a computer into a 'cash register'. This project helped consumers with a coffee shop activity. They were able to tally orders and make change simply by using icons on the screen.
- **Envelope Stuffing Project:** A volunteer created a device to help a consumer working in the community to more successfully put business correspondence and inserts into envelopes. This improved her accuracy and independence on the job.

Assistive Technology Rebuilt:

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

- **Manual Rivet Dispenser:** A volunteer recreated this item which was destroyed in the flood. The device dispenses rivets in a controlled fashion, allowing consumers with limited fine motor skills to participate in a production contract for a local business.
- **Ergonomic Arm Support:** A volunteer replaced this item which was also destroyed in the flood. This support allows a consumer more controlled mobility with his arms, giving him greater access to communication switches and other vocational materials.

Outreach:

The people at Options of Linn County enjoy sharing the story of RCRV with others. This year, we have had a number of opportunities to do so.

- Tours given to college and high school students, featuring the role that job adaptations play in serving our consumers.
- Assistive Tech Expo/Abilities in Action Conference: We shared a display table with RCRV introducing people in the human services field to what RCRV can do.
- Assistive tech discussion and demonstration for a Kirkwood College class.

The Look Ahead

RCRV plays an important role in improving the quality of life for people with disabilities in our community. The consumers and staff of Options appreciate your help in creating and restoring the assistive devices that are so important to us.

In the coming year, we look forward to working with RCRV to meet the changing needs of the consumers. Thank you for your service.

4. Heidi Soethout- Sixth Judicial District

Currently, budgets are the main focus.

5. WRAP- Rod Thorpe

2009 Accomplishments for WRAP

- Became incorporated
- Application completed for 501(C)3 status
- WRAP awareness presentations are being given
- Surpassed goal of 16 ramps; 27 ramps completed
- New Vista member will be assisting program
- Main need is for designers

6. Barbara Hoffman- RSVP

2009 RSVP Annual report

Number of Volunteers

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

527 volunteers serve at 75 partner agencies
55% Female; 45 % Male

Age

55 to 63	14%
64 to 74	41%
75 to 84	34%
85 and over	11%

Hours Served

77% volunteers serve one to four hours a week

Top 5 Service categories- Hours Donated

Community Based Volunteer Programs (RCRV)	26,000
Delivery of Health Services	9,000
Transportation Services	7,000
Meals on Wheels programs	5,000
Senior Citizen Assistance- SHIIP	4,000

New volunteers : 85 (RSVP 51 and RCRV 34)

As of October 31, 2009, 473 active volunteers have volunteered 68,460 hours in the community.

In closing, a thank you to the RCRV for the \$2,000 grant for RSVP's Elderly Outreach Transportation program in Jones County. It is much appreciated.

7. Grant Wood AEA- Ann Griffin Report will be inserted

8. Aging Services- Teresa Robinson

Thanked the RCRV members for their services to Aging Services in 2009.

9. Jane Boyd Community House- Amy Grunewaldt

Their mission is to provide Cedar Rapids youth and families with youth development, family support and educational programs in a culturally inclusive environment. Currently they are studying their Mission statement, Vision and Strategic plan. Ages in their afterschool program are from 5-15 and attendance is increasing each day. They have started a Youth Advisory board.

10. Four Oaks Bridge - Mary Beth Minges

-Our Lego League team continues to make progress. We have registered for the December 12 competition here in Cedar Rapids.

-Our new creative writing program has begun. The program is designed for our 3rd-6th graders. Currently, the children are working with a published hip hop poet and

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

playwright. We will also be working with a local young adult writer, the African American History Museum and a local video game producer.

-Mike Wilson and Vern Jackson have been helping in writing a grant for the Giacolleto Foundation. The grant will us in developing more engineering and engineering opportunities for our children. The materials we are looking at will encourage the children to understand more clearly our place in the universe and the various sources and uses of power.

RCRV COMMITTEE CHAIR REPORTS

1. Community Projects- John McDonough 2009 Annual Meeting Report for Community Projects Team

I reviewed the weekly reports as well as the monthly reports and obtained the following information. I did not include all the areas or tasks that we performed over the past year. The following is a summary of the highlights. If you want more detail, please visit our web site or the Yahoogroups website for RCRV1.

We had over 850 participants covering the past year at our regular Thursday Morning Community Projects Team meetings. Slightly less than last year, but like last year, most folks attended most of the meetings. Attendance varied from 12 to 28 with an average of 21 at each of the meetings. I feel this is very good participation by our volunteers.

We have kept track of the hours that RCRV members have volunteered since we started tracking over the past years. They are:

2000 10,000 hours, 82 volunteers reporting
2001 8,500 hours, 98 volunteers reporting
2002 10,000 hours, 97 volunteers reporting
2003 17,500 hours, 113 volunteers reporting
2004 12,250 hours, 123 volunteers reporting
2005 20,500 hours, 133 volunteers reporting
2006 28,000 hours, 164 volunteers reporting

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

2007 32,000 hours, 166 volunteers reporting
2008 38,000 hours, 194 volunteers reporting
2009 34,000 hours thru Oct '09, 186 volunteers reporting

We recently completed 12 seminars where RCRV SHIIP members (Jim Wolfe and Joe Wells) presented the Rockwell Collins 2010 Insurance program to our retirees. Most of our presentations were prior to the retirees getting their personal information. The info we presented was very accurate this year in comparison to recent years. We had a much better interface this year with Rockwell Collins Insurance folks, namely Chris Powers, Mark Eckman and Inge Kaplan. They did a fine job this year. We presented to about 850 retirees, their spouses and or their caregivers. We answered lots of questions at the end of the presentation. We had very good support from other SHIIP counselors, namely Terry Canning, Harlan Hanson and Don Grimm who assisted us at each of the sessions. Other counselors helped when they were available, as well. Their help was really appreciated. Also, Tonya Arnold provided copies of the presentation to each of the attendees. Rockwell Collins negotiated with both Humana and Wellmark so that they covered the cost of the KTOS conference room.

RCRV provided support to many nonprofit agencies again this year, including, but not limited to the following:

Aging Services, Options of Linn County, Vision In Motion, Witwer Center, 4 Oaks Bridge, Heritage Area Agency on Aging, SHIIP, Festival of Trees for St Lukes, the WRAP program, the REACT Center, Meth-Wick, EIOLC, the Community Free Clinic, TRIAD, GWAEA, LCTA plus lots of mentoring and tutoring for the local schools. We also provided support to SCORE, Indian Creek Nature Center, and The Science Station as well as to New Horizons.

During the past year, we delivered benches, tables, pillboxes and stools to VIM that Arlo Meyer fabricated. We also had a group of volunteers who selected, installed kitchen cabinets, and then we painted the cabinets for them.

We have provided lots of support for the local Lego Teams located at various schools in the area.

We designed a stage extension for Sinclair Auditorium. Norm Wright provided a professional proposal to them about what we would do with the associated costs. To date, nothing has materialized from this effort.

Cliff Koop started the year out with fabricating 5 Astronaut boards for St Lukes Witwer Children's Center and ended up delivering about 75 to the Center.

We continue to design and build wheelchair ramps for our community.

This past year, we in conjunction with Heritage Area Agency on Aging, converted many seniors analog TV's to accept the new digital TV signals. Hopefully that effort is complete.

We delivered 3 bumper mobiles to Ann Griffin for GWAEA.

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

We worked on several projects for Options of Linn County that were lost in the recent flood. An Envelope Stuffer, a Conveyor belt project which permitted a consumer to continue work at United Health and Casualty in shredding papers for them. We also designed software for a computer so that the autistic café at Options could have a cash register which pictorially displayed whatever the consumer bought with an associated cost.

Jack Murphy designed and built the parachute drop display for the Children's Museum in Coralville.

We delivered 60 PVC telephones to Wright School Kindergarteners. This permits them to read to themselves more readily.

This past year, we received our third Governor's Award for services rendered as well as two other awards, one from Options of Linn County for 10 years of Volunteer support to them and one from the Salvation Army for our support of Kettle duty.

We built 2 Bocce ramps for a school in Missouri.

We provided help to area residents in their filing their income tax forms.

We also delivered 8 more bandage winders for Mercy Medical Center Therapy Department.

Again, I feel that our volunteers have outdone themselves again this year in *providing a service to the community that they could not receive anywhere else*. Job well done!

If you can dream it, we can do it. <http://www.rcrv.org>

2. Data Base Committee Report- Jim Klein

1. Added new retirees to database based on the new files from Rockwell Collins. There are currently 3904 names in the RCRV database. With the addition of new retirees and the deletion of those who moved out of state and those who have died, this is an increase of 11 members over last year at this time.
2. The database was updated based on:
 - Addresses on returned newsletters, voice mail phone messages and emails.
 - Obituaries collected for us by Wilma Shadle.
 - RCRV/RSVP registrations
3. Provide mailing label files for:
 - RCRV newsletter
 - United Way of Eastern Iowa
 - RSVP to mail RCRV/RSVP information packets to new retirees. There were 143 new retirees in this list for the period of December 2008 to August 31st of 2009.
 - Retirees living in Johnson County.

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

3. Recruiting/Retention - Barbara Hoffman

Highlights of the 2009 Impact statement

Administrative & Leadership

- ✓ RCRV members serve on 14 different board of directors and active in 9 other Community project meetings for over 1500 hours

Construction and Design

- ✓ The major design project has been the Sinclair temporary stage extension
- ✓ Construction projects were for 7 different organizations including the 65 astronaut boards for Witwer Children's Therapy Center.

Education

- ✓ There were nearly 3,000 hours in the area of education
- ✓ RCRV members tutor at 13 different schools, 2 adult literacy programs, after school program at Four Oaks Bridge
- ✓ For the Rockwell K-12 program involved Lego League, Robotics. Tech challenge, Kindergarten Science, Future Cities competition
- ✓ Also help at libraries, scout programs and judging for various competition

Elderly Services

- ✓ Transportation, SHIP, Tax Assistance, Home Safety, computer classes, meals on wheels are some of the services provided for seniors for nearly 4,000 hours and not forgetting the installation of 65 TV conversion boxes.

Assistive Technology & Maintenance Support

- ✓ These are projects such as the bumper cars and big ball launchers for Grant Wood AEA
- ✓ And a cash register simulation project, manual rivet dispenser, envelope stuffer for Options of Linn County

Added a new category last year Disaster Recovery nearly 3000 hours have been given in recovery work this year

Largest category is Miscellaneous ...16,400 hours

- ✓ This includes RCRV members volunteering for 27 different non-profit organizations, court mediation, SCORE, REACT
- ✓ 12 health related organizations, 2 hospitals and WRAP
- ✓ The arts and cultural events
- ✓ Service organizations

So many projects- to name a few: trail counters, exercise bike tv switch, reptile project for Science Station, replacing capacitors on computers backplane, parachute drop device for the Children's Museum, 12 volt pump for launching air driven rockets, 60 telephones for reading, 9 bandage winders, bike racks and the list goes on....

Minutes of the RCRV Annual Meeting 11/18/2009

Note: These minutes were approved at the Annual Meeting 11/17/2010.

Total: 186 volunteers for 33, 679 hours

4. Communications- Chuck Wehage

Three issues of *The Volunteer* have been written, printed and distributed. The fourth issue is currently being written and will be printed and mailed before the end of the year.

5. Agency Liaison- Angela Berns

No Report

ANNOUNCEMENTS

There will be no December meeting

ADJOURNMENT

Rod Thorpe adjourned the meeting at 3:00 p.m.

The next Board meeting will be held January 20, 2010 at 1:30 at the Red Cross Building

Submitted by Barbara Hoffman, Secretary

Note: These minutes are subject to amendment and approval at the next annual meeting.
