Approval of Last Meeting Minutes

Don Grimm moved and Vern Jackson seconded a motion to approve the minutes of the May Board meeting. Motion carried.

Partner Agency Reports:

Kathy Waychoff - College Community Schools; Campus still under construction.

Karla Terry - Linn Mar Schools; Linn Mar is having a groundbreaking ceremony June 27th for two new schools: Hazel Point and Boulders Peak. Linn Mar names their schools after previous schools in the district other things versus people.

Sandy Rosenberger – Horizons; Having a busy summer. Still needs volunteers.

Kayla Hutton - Aging Services; Aging services has scheduled a team to build ramps with WRAP.

Old Business

Jim Green reported that the grant recipients have been selected and the checks will be presented to the non-profits in August.

Committee Reports

Communications – Bob Ocken: Bob is planning a newsletter soon. Send articles to him that would be of interest to CRVI members.

Data Base – Jim Klein: Jim is still looking for the person at Collins Aerospace who now would provide us with the names and info for new retirees.

Membership and Retention – Kayla Paulson: Kayla is at a conference, but she is still planning on calling the people who did not answer the survey she sent out. She requested a list of persons who would be willing to do this calling. There would be just a few calls per caller. All of the CRVI members agreed to call and some of our partners. The assumption is that these would be scripted calls.

Adjourn Meeting.

Terry Lamb

The next CRVI meeting will be in AUGUST. Note: No meeting in July.
